

ALIVE

Church and Family Ministry

Join us as we reach out to others and experience God coming *ALIVE* in fresh, exciting, and new ways.

Every week you will have the opportunity to:

- ALIVE* Gather together as we are lead with upbeat and inspiring music.
- ALIVE* Share a meal around a table with family and friends.
- ALIVE* Hear a short, uplifting, sometimes challenging, but always relevant life message.
- ALIVE* Engage in age appropriate lessons as we learn about Jesus Christ and other great biblical stories that still relate to us today. Nursery provided by the Greene County Early Learning Center.
- ALIVE* End our weekly time together as one fellowship group, receiving communion, and asking God to bless us on our weekly journey of faith.
